

McCreary County School District Online Student Registration is Now Open

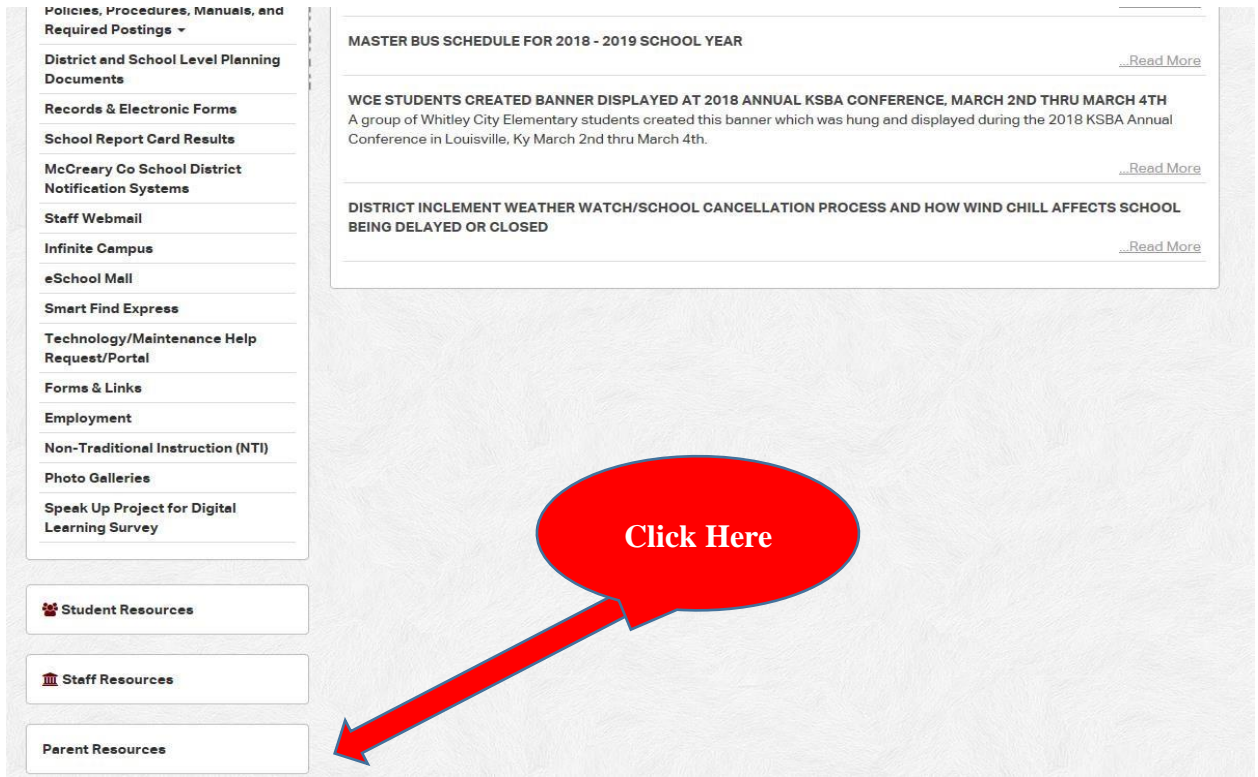

The McCreary County School District is excited to announce that 2020-2021 Online Student Registration is now available. This new registration option will give parents the ability to register their children for the next school year at a time that is convenient for them. Utilizing the online registration process will save parents time as they can bypass the registration packet usually completed in person during the open house visit. While parents will still need to attend an open house to pick-up student schedules, meet their child's teachers, etc. - the registration process can now be completed online before the open house, and as a result, it will save you valuable time.

For parents who do not want to complete the registration process online, paper registration packets will be available at all schools and can be picked up and completed during the open house. For more information about open house dates and the new online registration process, please contact your child's school or the McCreary County Board of Education at 606 376-2591 and ask to speak to Mrs. Linda Strunk. Whether you choose to complete the traditional registration packet in person, or want to use the new online registration process, the McCreary County School District is here to help you. The school district is honored to serve your child and is excited about the 2020-2021 school year!

Updated 06/30/2017

Parents/Guardians of students in McCreary County Schools who want to check the progress of their children can now access information on line. The Infinite Campus Parent Portal is a free, confidential Web site that allows parents to view up-to-date information about their children's grades, schedules, assignments, attendance and more. The Parent Portal makes it easy for parents to view their children's homework information, missing assignments, absences and tardiness, as well as reach teachers via e-mail.

Currently parents are being registered for this service at their individual schools' open house sessions, and PAC meetings. Parents may also call or visit the McCreary County Schools Central Office located at 120 Raider Way to verify that household information is accurate, and get an activation code to log on to the Parent Portal. Once parents have their username and password, they may access the Parent Portal from any Internet connection anywhere.

We encourage all parents to use this service.

For more information on Parent Portal, contact the Central Office at 376-2591 ex 1021 or contact Dr. Clint Taylor, Superintendent.

Terms of Use

The **McCreary County School District** has adopted the use of electronic signatures for some documents. By registering and creating your electronic signature PIN you will be able to apply your signature electronically to some documents the district publishes that require your signature. Registration is easy to complete and takes less than 5 minutes.

Once registered, documents or applications that accept an E-signature may also give you the option to not use your electronic signature and instead print the document, sign, and submit the paper form. Not all documents or applications will require a PIN.

Enter your E-Signature PIN

CONGRATULATIONS!

**YOU HAVE NOW SUCCESSFULLY COMPLETED
THE ONLINE REGISTRATION PROCESS.**

Note: During the online registration process if you have questions, please feel free to contact Mrs. Linda Strunk at the McCreary County Board of Education at 606-376-2591, extension
