

## McCreary County Virtual Learning Application

The McCreary County Board of Education approved offering a virtual learning option for students. If you want to request this option for your child, a legal parent/guardian must complete all sections of this application in its entirety. (If you are unable to print this, hard copies will be available at the schools and central office.) A separate application must be completed for each child. To be enrolled, there is also a required interview involving the school principal, parent, and student. Parents should call the school to schedule the interview. Requests for students with IEPs will be determined by an ARC Committee.

	I am committing my student to virtual learning for the entire semester.
	Online platforms will be the primary means of instruction, but my student will have access to academic support.
	My student has to have been successful with virtual learning last year.
	My student must have reliable internet access with the ability to play videos, video-conference, etc. This will not be provided by the district.
	My student will be required to check in at least 3 times a day (8:00 AM, 11:00 AM, 2:00 PM). Failure to do so will count as tardies or absences.
	My student must have shown a history of academic success (good grades, most assessments on grade level or above).
	My student must have a history of good attendance.
	High school students must be on track to graduate on time.

	My student and I are committing to a structured school day similar to a traditional school day.
	My student must make adequate daily and weekly progress. There will be daily expectations that must be met.
	My student will have required, periodic in-person assessments.
	My student must fully participate in all required local, state, and federal assessments.
	My student must be available for wellness checks (home or school visits).
	If my student fails to complete work within required timelines and/or is not successful on assessments, he/she will be withdrawn from the virtual learning option and required to enroll for in-person learning.
	To ensure success in a virtual option, I understand that my student should have the ability to: work independently, adhere to a schedule, ask for help when necessary, persist/persevere when facing difficulty, learn from videos and other online resources, and meet deadlines.
	As a parent/guardian, I understand that I should: provide a workspace conducive to learning, provide necessary technology and internet access, ensure attendance and participation, communicate and respond to school personnel, keep updated contact information, and monitor student progress.
	McCreary County Schools reserves the right to sets caps on enrollment based on our number of available virtual staff.
	McCreary County Schools reserves the right to withdraw the virtual learning option at any time and require students to return to in-person learning.
